

Road Safety...

Make sure...

- to use crosswalks
- to walk facing traffic, if there is no sidewalk
- to teach children to look left, right, then left again before crossing the road

- to wear bright reflective clothing so drivers can see you
- children under the age of 10 are not riding their bikes on the road

Remember...

- everyone should wear a helmet when riding and skating
- stop - think, look and listen for vehicles
- to make eye contact with drivers
